

12V Mini Power Box

Price: \$242

Weight

1.3kg

Dimensions

Length: 29 cm - Width: 22 cm - Height: 10 cm

Product Overview

Size: 330*150*80mm

Power socket Max 150W

Rated 12V 10A

Voltage: 12V DC

Current Max:

- CIG sockets 30A fused (spare inside)
- Anderson style input/outputs 50A

Maximum Combined

Auto Reset Breaker

Product Advantages:

- Source Manufacture
- Complete Specifications
- Good Material
- Simple operation
- Convenient Installation
- After-sale service

Specifications

Voltage: 12 Volt DC
